The New World Order

Article From www.biblebelievers.org.au

Is this scheme to establish a New World Order in fact a reality? Yes it is. If you do not believe this I encourage you to study the United Nations documents and also the treaties which, once ratified by individual nations, become INTERNATIONAL LAW. The United Nations created the Commission for Global Governance, if you don't believe this, visit the United Nations website and look it up.

The Commission for Global Governance released a report: Our Global Neighbourhood, that predicates a world court, a global tax, and global police force. And the U.S. State Department Publication 7277 outlines a one world police force under the United Nations. So many prominent world leaders are calling for a one world government the intention is obvious. Yet most people are so occupied by life's responsibilities, careers, sports and television, they have little time to study what's going on in the corridors of power.

The coming one world government is being set up in the political arena under the flag of the United Nations, through organizations such as the Trilateral Commission, Council of Foreign Relations, the Royal Institute of International Affairs, the Bilderbergers, and the Club of Rome whose members include many world leaders, media personalities and other influential people. The published goal of the Council of Foreign Relations for example is a one world government. And although most have never heard of many of these groups, they do exist, and they are very influential. The core of these groups hold to "illuminist" philosophy.

A second focus is economics with free trade agreements, the International Monetary Fund, World Bank and the Bank of International Settlements. The coming global monetary crisis is intended to institute a universal debt-based currency controlled by the International Financiers and issued to individuals against biometric identification cards. This is all about control!

The third area of focus is religion. Organizations like the World Council of Churches and the Parliament of World Religions were established to introduce a new world religion. It is based on a pantheistic/humanist philosophy. Pay careful attention when you study the documents and reports published by the United Nations and related organizations. This philosophy is now being taught in the education system and has been implemented under programs such as Goals 2000.

The New World Order will be SOCIALISM. Read the United Nations declarations and treaties for proof of this fact. The individual will be subservient to the state. Rights and power reside in and derive from the state, not the individual.

United Nations documents all speak of collectivism. They claim that private ownership and management of property is not to the benefit of the human race. These things are cloaked in a pleasant language, and most people are taken in and deceived. Yet few bother to study these documents.

In the New World Order you will be in serfdom to the controlling elite! You will have no liberty, and no rights. The State will look after you for your best interests. Do you see how the governments of the free world are slowly becoming more involved in everyday life? This is exactly what socialism is. The government becomes involved in every aspect of personal life. Today we require a license for so many things. In Australia, farmers now require permission to farm the land they own. This is not freedom.

In the New World Order, private ownership of property will be abolished. You will only own what you need "after all this is best for the world." "We need to be looked after."

Terms such as 'sustainable development' mean depopulation and serfdom. The masses continue to fall for lie after lie after lie. Study history and you will discover that there have been very few free societies. Those that were free were either overthrown or fell into the trap of socialism, totally unaware of the dangers until it was too late. Socialism (communism) is always implemented through deception. History portrays a repetitive phenomenon . . . enslavement-revolt-freedom-apathy-enslavement. Enslavement frequently followed revolution because the people did not realize that socialism was slavery, not freedom.

Today environment is being used to make people feel guilty, enticing them to accept socialism as necessary. The environmental movement has been co-opted to strip private ownership of control and exploitation of resources. Many environmental 'facts' are lies, exaggerations and unscientific claims to manipulate the masses in the classic Hegelian Dialectic: create the problem, create opposition to the problem, then present your own predetermined solution. Global warming is a perfect example.

I recommend reading the study, 'The Report From Iron Mountain,' which suggested the environment as a tool by which to manipulate the masses to accept loss of freedom to a one world government.

Although a landowner pays taxes, and is steward of his land, its usage is dictated by international bureaucrats, 'empowered' by vague treaties, driven by an insane 'theology', genocidal philosophy 'approved' by the bullying bribing tactics of governments.

"The United Nation's goal is to reduce population selectively by encouraging abortion, forced sterilization, and control human reproduction, and regards two-thirds of the human population as excess baggage, with 350,000 people to be eliminated per day." Jacques Cousteau, UNESCO Courier, November 1991.

Anyone who speaks against the incoming system will be labeled 'anti government' or a 'trouble maker', and either executed or imprisoned with majority assent. Citizens will support the new order because they will have been brainwashed by propaganda and will not understand what is really happening. Already in the United States those who support the Constitution, Patriots and the Militia groups are ridiculed as crazy paranoids and dangerous extremists. In Australia, it's the supporters of Pauline Hanson's One Nation and Graham Campbell's Australia First Parties who are ridiculed and persecuted. These are merely people who are aware of what is going on. If you are one of those who believe that these patriots who are against globalism are crazy and deluded, I ask, have you ever spoken to one? Have you checked validity of their claims? or are you blindly following what the media feeds you?

Currently the United Nations is trying to establish the framework for an international criminal court. When this is established the United Nations will be able to detain anyone from any nation and bring them before a panel of judges who will hear the case and pass judgment. This international court will deal with are 'crimes against humanity' and 'environmental crimes.' If you think there is nothing wrong with this I suggest you read how the U.N. defines 'environmental crime.' A system is being created whereby those in control will be empowered to manufacture a crime and arrest anyone they deem a threat. The courts have no jury, one is guilty until proven innocent, and there is no appeal. Also, because this Court is international, and your nation has surrendered its authority, your own country cannot protect you. This is going to affect YOU directly!

In the coming world government YOU will have no personal liberty and no freedom. Did you know that the Global Biodiversity Assessment calls for human population to be reduced from 5.6 billion to 1 to 2 billion within the next decade? (reference GBA Section 9.2.3.2). You didn't see that on the six o'clock news, did you? Read the Declaration Towards a Global Ethic and learn what it classifies as 'authentically human.' This is a UNEP (United Nations Environmental Program) prepared by Hans Kung.

Learn how the United Nations define a 'hate crime.' Did you know for instance, that under Canadian law this website is classified as a 'hate' site? Pending U.N. legislation, and also 'Genocide Convention', classify this as a 'hate' site. However there is no hate whatsoever on this site, just a call for people to wake up to what is going on, and to receive God's Word. The only groups and/or people that I am against are those who believe in and seek to enforce socialism/Illuminism upon others.

Deskilling of Trades

People have slowly been deskilled in recent years. Mechanics no longer FIX a problem so much as they REPLACE the component. Body and fender men no longer beat panels so much as they replace plastic moldings. I am in a trade myself and my trade has been deskilled in similar ways. I have talked with other tradesmen and this is happening in all trades.

Of course technological progress will bring about change but deskilling goes far beyond this. For example many car parts now come as a complete totally enclosed unit, if a small part breaks down the whole unit must be replaced. Less skill is required to loosening a few screws and install a new unit than to repair the component. Yet it would be cheaper and less wasteful to fix the unit. This deskilling is intended to make the new society wholly dependent on the system. People will be unable to maintain private transport and will become dependent upon public infrastructure and the STATE. This is why small farming has been replaced with large scale operations. In Australia for instance, the farming industry has been all but destroyed. Most farmers are deep in debt because of rising interest rates (and all fiat money) and loss of markets due to the government programs of economic rationalism opening the doors to cheaper imported produce.

Many people have been lured into dependence on the state through welfare programs such as the single mother pensions. Such easily obtained benefits encourage people to rely upon government support. The more one is dependent upon the State the more one is bound to State rules. I am not against helping those who need support, I am trying to explain the principle involved. The welfare system is a plank towards socialism.

"A nation of well-informed men, who have been taught to know and prize the rights that God has given them cannot be enslaved. It is in the region of ignorance that tyranny begins!" Benjamin Franklin

All this is designed to destroy the existing world order from within to bring about a New World Order (a new way of doing things). The present order is based upon Christian principles. This foundation proved very successful. Contrast those nations built upon Christian foundation with nations that were established on a pagan or Islamic foundation. The Christian nations have had freedom, liberty and opportunity for all citizens, whether Christian or not. In these nations, the people have sovereign inalienable God-given rights, and government is responsible for protecting those rights. The rights of personal freedom, individual liberty and private property are granted by an authority higher than man, thus this authority cannot be overruled by men. This is the foundation upon which the United States was built. These are principles the Establishment has attempted to quash. At the other end of the spectrum we see the United Nations Charter and related documents wherein individual rights are a privilege granted by government. A big difference!!! If our individual rights are a privilege granted by the State, these individual rights can be taken away! Don't fall for the lie that they will not be. Every governing system that denies unalienable rights come from our Creator has been a system of slavery of the masses. The blood runs!

This Christian foundation has been intentionally eroded through mass manipulation and mind control techniques. Members of various secret societies in key positions in society have played a major role in this breakdown, gradually changing and enacting legislation, employing the media, religion and education, to move the ancient landmarks, and bring us closer to one world government. The way people view the world nowadays has been altered. They created the term 'generation gap.' Yet the generation gap is a lie and is not real. Human needs and nature remain remarkable constant, only technology changes.

You may be wondering why anyone would want to do this to society. You must understand what these people actually believe. It is all about religion and it matters little whether you believe their religion or not, they believe in it, so it is going to affect you!

The plan to establish one world government is not new. It is a long established goal of those who practice the 'Mysteries'. The Mystery Religion is the oldest of all the world's religions. In fact all the worlds religions stem from the Mysteries except true Orthodox Judaism and true Biblical Christianity. The Mystery Religion stems back to ancient Babylon.

The Initiates of the Mysteries have a goal they term the 'Great Work.' They hold this to be a benevolent world dictatorship. It is the sort of benevolent dictatorship Adolf Hitler wanted. Adolf Hitler was himself an Illuminist and a member of the Thule Society. The entire SS were also initiates.

The 'Great Work' is a process of illuminating the human soul to a state of 'apotheosis'. It will be completed when the whole human race achieves this state. The Mysteries hold to the Platonic ideal wherein humanity is a singular organism. Adherents view humanity as one collective being, and the individual must sacrifice for the benefit of the whole. Yet the individuals in question are you and me.

Socialism and communism have their roots in the Mystery Religion. And despite what so-called experts may say, there is little difference between socialism and communism. The U.S.S.R. stood for the Union of Soviet Socialist Republics.

People are initiated into the Mysteries by degrees. Those who possess the correct attributes continue to rise to the higher degrees. This method of progression through initiation ensures the complete indoctrination of the initiate into the philosophical teaching of the Mysteries.

Who are these people? They are the members of all the various secret societies and fraternal organizations such as the Freemasons, Rosicrucians, Knights of Malta, Knights Templar, the Vatican and many many more. It should be stressed that the majority of the members of these secret societies are absolutely unaware of the true nature of their society, church or lodge. The higher initiates are known as the 'adepts' or 'keepers of the secrets of all ages.' The members may belong to any religion when they join the society, yet when they reach the higher echelons and become the adepts, I assure you they all practice the same religion.

One thing to remember with regards to these secret societies is that they are all the same at the higher levels. All the adepts belong collectively to what is known as the 'Illuminati' which means the 'illuminated ones.' The Illuminati are those who have progressed through the various initiations in the particular branch of the Mystery Schools to which they belong until they have reached the stage of true illumination. Thus these people actually believe that what they are doing is right, just as Adolf Hitler thought that what he was doing was right and beneficial to humanity.

If you study back to the thirteenth century you will see that the Knights Templars were financiers. The International Financiers of today are still Knights Templars.

The worship of this religion is practiced in secret. The dogma and intentions of this religion are hidden by way of symbology. The average person sees the exoteric, outward or literal meaning of the symbols, while the Adept, Initiate or Illumined see the esoteric or hidden meaning of the symbol. For example if you study ancient history you will see that all the ancient cultures practiced sun worship. The average person (the uninitiated whom they term the 'profane') saw the sun in the exoteric and worshipped it as a god. While the High Priest saw the esoteric meaning and realized that the sun was only a symbol which represented a greater truth.

The sun actually represents the intellect and this is the doctrine or secret of the Mystery Religion. The moon represents the Church of the Mystery School and the stars represent the initiates. The moon does not shine with its own light but with the light of the sun. The Church of the Mysteries is itself lit up from the INTELLECT. The characters in the stories of ancient civilizations represented these objects. For example Osiris and Isis in Egypt represented the sun and the moon respectively.

The movie, "2001, A Space Odyssey" was an esoteric message to the body of initiates. Very few people understood its true meaning. It was not meant to be understood by the profane. But the Adepts of the Mystery Schools understood it perfectly.

The ancient stories of Babylonian, Egyptian and Greek mythology have more meaning than most people realize. Archeologists and historians only see the EXOTERIC and thus miss the whole point of what it all really means. When George Bush referred to a "Thousand Points of Light" in his speech in 1991 he was using the symbolic language and was referring to the body of initiates. When Bill Clinton in his State of the Union Address was speaking of about the

"setting sun and then the dawning of the new era" he was also using symbolic language. The average person heard the exoteric meanings of these statements while initiates the world over smiled to themselves, as they understood the true meaning. You see George Bush is a member of the Order of Skull and Bones Society. Bill Clinton holds the 33rd degree in the Masonic lodge. Bob Dole, a Republican, is a 33rd degree Freemason. So it doesn't really matter for whom you vote, you are in effect voting for the Mysteries. These people and many others are all practitioners of the Mysteries and know exactly where the world is going. Many judges belong to secret societies. These people are everywhere and are all indoctrinated in the philosophy of the Mysteries.

These people believe they have reached a higher point in their evolution (another deception) and have the necessary wisdom to rule the rest of mankind. They believe there are but a few mature minds in the world and that those with the mature intellect need to guide humanity. They consider themselves 'illuminated.' All this is true and can be verified in their own writings, this is what they believe. Unless you are willing to open your mind and research this topic you will continue to be deceived.

The coming New World Order is based on an occult philosophy known as the 'Pure Luciferian Doctrine' or 'Illuminism.' The symbology for this religion is everywhere.

Unveiling of the Mystery Religion

This religions public unveiling is has been occurring for quite some time. Although the average person who sees only the exoteric so will miss it completely.

In Scottish Rite of Freemasonry, the 30th to 33rd degrees are degrees of Illumination, with the 33rd being the most sought after by the 'illuminated man.' The 33rd degree is the highest publicly known degree in Freemasonry. The number 33 signifies 'Illumination' and freedom from religious dogma (superstition). The human backbone contains 33 vertebra with the cranium (intellect) on top.

The number 13 is also significant in the Mysteries. In the occult Gematria (number system) the number 6 represents man. The number 7 represents divine perfection or God. The Hebrew (Biblical) Gematria system is identical for these particular numbers. Thus it can be seen that the number 13 is a combination of man and divine perfection which is exactly what Illuminism actually is, man becomes a god. The York Rite of Freemasonry has 13 degrees (only 9 publicly). The Bavarian Order of Illuminati (Adam Weishaupt's branch) also had 13 degrees.

The obelisk, a phallic symbol pertaining to Osiris, is another important symbol in the mysteries and symbolizes the lost word of Freemasonry or the 'secret' of the Mysteries. The obelisk is a symbol of the sun god (intellect) or generative force. To understand this fully it is necessary to study the Osirian cycle but I will not go into that now.

Consider the following examples . . .

- # The Pope's cassock has 32 buttons and his head represents the 33rd.
- # If you look at the roof of the United Nations General Assembly you will see a large light circular light surrounded by 32 smaller lights.
- # If you look at the United Nations own symbol you will see a circle divided up into 32 sections with the center being the 33rd.
- # On the United Nations symbol you will notice 13 leaves on the olive branch. The symbol for the Soviet Union has this feature as well as 32 rays emanating from the sun with the sun being the 33rd.
- # The Washington monument is an obelisk.
- # There is an obelisk at the Vatican surrounded by a circle. This represents the union of Osiris and Isis (exoteric). These two symbols are surrounded further out by 32 archways on each side of the courtyard, in all it is an outdoor temple of the Mystery Schools.
- # Examine the two Great Seals of the United States on the U.S. One Dollar Bill. Count the number of thirteens. On the eagle one wing has 32 sections while the other has 33. The symbology in these two seals is evident to all who understand the symbolic language.
- # 13 inches is equal to 33 centimeters. Our measuring system originated in Masonic France in the 1790s.
- # 666 divided by 212 Farenheit (boiling point of water) is equal approximately to PI (3.14...). Ice melts at 32 degrees Farenheit, corresponding with the degrees of illumination in the Masonic Lodge. D. Farenheit was most definitely a student of the occult.

Along with these few examples you will notice that many buildings (particularly those owned by foundations such as the Rockefeller Foundation) have symbology incorporated into their designs. Look out for symbols of the sun, pyramids, obelisks, the all seeing eye of Osiris, the circle with a dot in the middle, a snake in a circle biting its tale.

The list of symbology goes on and on, and is common in our civilization.

The UFO movement is laced with the Mysteries symbology. These people believe in aliens from other planets and are deceived because they do not understand the symbolic language. Were they to take time to seriously study what the theory of evolution actually teaches and the evidence upon which it is actually based, they would learn that life cannot evolve (I myself was stunned when I discovered this truth which upsets many people because of its philosophical implications, yet this is a provable fact!)

The New Age movement is full of the symbology, flick through the magazines in the New Age section of your newsagent or library. You will see the sun and other symbology everywhere. The New Age movement is a revival of occult mysticism which teaches that every human being can tap into their inner christ consciousness and become their own god. Yet because these people haven't studied history to find the roots of what they follow, they do not understand its true principles.

What I have explained here about the Mysteries is only a example of what is happening. Volumes could be written on this subject. The people who practice this religion are seated among the most influential in the world. I urge you to find out how many Presidents of the United States have belonged to the Masonic Lodge. Most of them have been Masons. Even the street plans of Canberra and Washington D.C. incorporate Masonic symbology.

I have learned from personal experience that most people when presented with this information dismiss it as a figment of the imagination of conspiracy theorists. The mass media and society in general hold to this view. Sadly, very few people think for themselves nowadays, and few are willing to check the validity of this information. However it is factual and may be readily verified from documentation in the public domain. But you must check it out it for yourself. World leaders, Established education and media will never bring light on this subject.

I find most people do not want TRUTH, they would prefer to feel comfortable. Most people do not want to learn any truth they fear may breach their comfort zone. Truth also tends to compromise their plans and preconceptions but if they ignore it, it may go away. And for the sake of pride, people don't like to admit to themselves that they have been deceived.

Human beings naturally hide from unpleasant realities which is why some women undergo cosmetic surgery as they get older, while women of all ages paint on the makeup to mask reality. People prefer fantasy and what feels good. This applies to those who refuse to investigate this particular world view I am expounding.

I consider myself a realist. I like to face up to the real world in which I live, not the fiction our political, economic and religious leaders would like us to believe.

When Adolf Hitler was building his power base in Germany some people woke up and realized what was going on. Some were sounding the alarm to what they saw happening, but these people were largely ignored. Some Jews listened and left the country. Some Germans listened and left. Those who ignored the warnings soon found themselves living in tyranny, and wondered how it could have happened. The same warning signs are being shouted from the rooftops in Australia and America today. Yet people are too busy with everyday things to stop and think. As in the 1930's, people are going to be shocked when they lose their freedoms.

"How fortunate for governments that the people they administer don't think" -- Adolf Hitler.

Every one who ignores what is going on will suffer for their indecision when plans and comfortable circumstances dissolve around them. Such people will be unable to avoid their fate because all avenues of escape will be closed. They will continue to be controlled and manipulated like a flock of sheep and know it not. They will be slaves! While those who have woken up and prepared both physically and spiritually will be in a far stronger situation, understanding what is happening and why. Troubled times will be upon us all, but is it not better to be informed and able to act, than ignorant, confused and lost?

Everything I have written above is truth I have established through documented research. It is not based on conjecture or personal beliefs. It is provable! I am not asking you to believe any of it but I am asking you to look into it for yourself. You will not regret the few hours spent at your local library. It's not my job to convince you, it is up to you to convince yourself. My task is just to put questions into your mind, encouraging you to think freely for them self.

Finally, all this may seem a somewhat negative, or even scary. But I assure you there is an answer and this answer is a positive answer. I was led to this answer through my research into the above information. If you truly have a heart and a hunger for the truth you will surely find the same answer.

I hope you found the preceding article interesting. For some well documented information I encourage you to take a look at the following link. . . .

A CHRONOLOGICAL HISTORY OF THE NEW WORLD ORDER

After studying the well documented quotes in that link please proceed to examine the United Nations treaties and declarations and spend time reading some of the books and articles on this Site so you may become more fully informed. I urge you to do your best and try to disprove this subject! You will find it proven.

Here is a link to a recommended reading list I have put together so that you may become more familiar with the topic. Recommended Reading. Please be aware that there is not a lot of time remaining for you to become aware of these issues. A global economic crisis is very near and the United Nations socialistic legislation is being enacted at breakneck speed.

"**Ordo Ab Chao**", a latin phrase meaning 'Order Out Of Chaos' and is the motto of the 33rd degree of the Masonic Lodge

"Those who wish to be ignorant and free,
believe in something that never was and never shall be."

The one book to put all the above in context and for the positive answer . . . King James Bible 1611. I was led to this book through my research. I was an agnostic before I awoke to what is going on. I thank God for awakening me and cleaning up my life.

Baphomet cabalistically sets forth the aims of the Illuminati by combining two Greek words, baphe and metis, to mean "absorption into wisdom". The word is also an acronym for the title "Templi Omnim Hominem Pacis Abbas", or "Father of the Temple of Universal Peace", reversed. Thus "Tem O.H.P. Ab" becomes bAPHOMeT (Baphomet).

Baphomet is actually a symbolic representation of Luciferian divinity -- Satanael the evil brother of Jesus, who alone could enrich mankind (Genesis 3:1-5). The legendary god of the Knights Templar, it combines all of the animals and elements of nature and has its roots in symbolic ability to visually portray the teachings of the neo-Platonists and Sabaean mysticism of the Middle East before the rise of Islam.

On the Day of Atonement, one goat (Jesus) was sacrificed, while its brother escaped and was banished from the congregation to bear Israel's sins into the wilderness (signifying the rest of the world). The great two-horned hermaphrodite goat bears between its horns the fiery torch and represents Moloch. The pentacle or five-pointed star between the horns of the beast signifies energy and enlightenment or power in the world and separation from God. It is a symbol of ancient secret societies and the sign of the House of Rothschild and of International Communism.

The right hand of the beast is raised with two fingers pointing upwards to a white moon. The white moon stands for the Children of Shem. On the right forearm is written "SOLVE" which means break-up or dissolve (the Church). The

left hand is pointing downwards with two fingers towards a black moon. The black moon stands for the Children of Ham. On the left forearm is written, "COAGULA", which means to drive together into one mass or lump -- a little serpent's seed can leaven the whole of Adam's race "as it did in the days of Noah". (It is the reconstruction of a New World Order under the Invisible Masters of Universal Judaeo-Masonry whose motto is "Out of Chaos, Order"). The beast is enthroned on the world. On the stomach can be seen part of a circle which stands for (the Jewish prophet) Zoroaster, the Seed of Fire. In front of the circle is an apple on a pole around which are entwined two serpents, signifying the forbidden fruit of the Tree of Knowledge of Good and Evil. The serpent is Aesculapius, the god of medicine, worshipped in Pergamos in the form of a living serpent.

This design reveals the great secret -- the race of Shem and Japheth and his civilization are to be destroyed by miscegenation with Ham's offspring through Canaan. By accomplishing this, the Idumeans will gain control of the world for which they have worked for over two thousand years.

Eliaphas Levi, whose name appears on the picture, was the Abbe Alphonse Louis Constant, who became a cabalist, and wrote *History of Magic*.

The Babylonian Talmud (Pes. 113b) says: "Five things did Canaan charge his sons: love one another, love robbery, love lewdness, hate your masters, and do not speak the truth." For almost four thousand years these five points have been the modus operandi of the Caananite heirs who today control the World Order. Yet this is unknown to those whom the Canaanites continue to rob, enslave and massacre. These instructions are a command to commit genocide against the people of Shem and Christians.

The self-styled Jews only use Christian symbols either in derision or as a mask for their intrigues. . . . With reference to "the Temple of Solomon," Des Mousseaux says, "This Supreme and Invisible Hierarchy of the Masonic Lodges, and which are composed of Cabalistic Jews, signifies the reconstruction of the Jewish power over the ruin of Christianity" -- the solve and coagula of Illuminized Masonry. The New Age Movement and Service to The Plan

The *New World Order* as envisioned by [the Elite](#) is hardly a recent undertaking. Theirs is a philosophy rooted in ancient occult traditions. Success is near, and the infiltration of society by New Age occultism is the reason for this success. The *New World Order* has never been solely about world government, rather, from the beginning its proponents have been privy to secret doctrines and it is a spiritual plan more than anything.

If one failed to take into account the occult nature of the *New World Order*, they would be remiss. [The UN](#) and the New Age have been bed-fellows since the beginning. America's secret destiny is *the product of Rosicrucian and Freemason forefathers*. The *New Atlantis* as proposed in Francis Bacon's work is almost at hand. The *Ancient Mysteries* are being studied for illumination and enlightenment by *the New World Order's elite*. Not to mention the New Age gurus — dutifully recruiting on behalf of *the Secret Brotherhood*.

In 1980, Marylin Ferguson compiled and espoused a synthesis involving the theories of transformation and the secret plan of *the Aquarian Age*. In her studies of the scientific advancements of this age involving entropy and syntropy, holism, holographs, paradigm shifts, the uncertainty principle and evolution, she discovered that,

"for the first time an American renaissance is taking place in all disciplines, breaking the boundaries between them, transforming them at their farthest reaches—where they all converge."

(The Aquarian Conspiracy, p.12)

Speaking of the networks and web of influence, Ferguson proclaimed:

"There are legions of conspirators... in corporations, universities, hospitals, on the faculties of public schools, in factories, in doctors' offices, in state and federal agencies, on city councils and the White House staff, in state organizations, in virtually all arenas of policy making in the country [U.S.]...[including] at the cabinet level of the United States Government."

(ibid. p.24)

However, other New Age proponents said that this is inaccurate, in that she had understated the influence of the New Age worldwide, especially in the UN and the EEC.

It is no coincidence that America has become the center of New Age and New World Order conspiracies. The *Theosophical* and *Rosicrucian* traditions hold that every nation has a spiritual destiny guided by a *hierarchy of beings* using all ethical (or un-ethical) means of manifesting the "divine plan" through the will of the nation's leaders.

A proponent of the New Age and [the Secret Brotherhood](#)'s plan for a *New World Order* is Robert Hieronimus. In his book [America's Secret Destiny](#), he traced the spiritual vision of America's founding fathers and the plan's eventual fruition in what we call [the New World Order](#) and [the New Age Movement](#) (both of which are synonymous). He stresses that the founding fathers of America had the equivalent of "Masters" and were pupils in a sense, much like today's powerful Elite have Masters and Gurus, following the teachings of *the Great Plan*.

According to the *Rosicrucians* and *Theosophists*, supporting the divine plan are great beings referred to as masters of the physical and spiritual planes. The evolution of America owes much to the seed thoughts of four masters—[Kuthumi](#), [El Morya](#), [Rogoczy](#), and [Djwhal Khul](#). Some of the founders of America may have been consciously or unconsciously students of these teachers, just as some contemporary Americans are pupils of these masters. In fact, the motto of the hierarchy of world teachers is identical with America's destiny—*the brotherhood of man and the Fatherhood of God*. (p. 95)

Another writer, from the opposite camp, confirms the assertions of Hieronimus. Willy Peterson writes:

In order to reach their aims of world unity and thus engage the whole world in service to the Plan, "enlightened" [Freemasons](#) and New Agers have been pushing for collectivist motifs that promote monistic pantheism and unity. This is why the chief instigators to the globalist League of Nations and [the United Nations](#) have been *Theosophists*, trying to work out the plan.

This is why the verbiage and aims at the U.N. is for world peace and brotherhood. It is a spiritual undertaking in a secular world. [Lucis Trust](#) has had three think-tanks located at the U.N. Plaza in New York for around fifty years. No wonder the former Assistant Secretary General to the U.N., Robert Muller, is a devoted disciple of Alice Bailey, whose book, *A Treatise on White Magic*, forms the basis for the Robert Muller schools.

(The Leavening)

These people are called the *torchbearers* or *lightbearers of the New World Order*. A spiritual plan that has been traced to the time of [Nimrod](#) and the *Tower of Babel*, up through to [the Illuminati](#) and onwards.

"A loosely-knit world conspiracy," David Allen Lewis writes, "a so called Network of Illuminists."

"Whether the Illuminati has one special organization that is its original descendant... we can be very sure that its philosophical torchbearers are represented by literally hundreds of organizations and individuals in many diverse realms."

([Dark Angels of Light](#))

A Blueprint For Destiny

Robert Heironomus says that,

"America's Great Seal may be seen as a blueprint for the elevation of consciousness. It says, in part, that we must transform ourselves before we can change the world, and that it is during the process of self-transformation that we can catch a glimpse of what part we are to play in national and global transformation."

The *mandala* of the New World Order and Illuminati control.

"Annuit Coeptis—He has Blessed our Beginning", "Novus Ordo Seclorum—New Order of the Ages".

The *All-Seeing Eye of Horus*, the resurrected *Egyptian Sun God*, biblically referred to as *Lucifer*, the angel of light.

In occult doctrine it is thought that,

"from the union of spirit and matter (the pyramid is made of stone, rock, and earth—and represents the unconscious. The capstone is made of an immaterial substance—light or spirit—and is conscious), a new being—a transformed being—is created. The seal's reverse depicts a separation state in the separation of the eye the triangle."

"The pyramid exemplifies the initiation stage,... it is the house of initiation, in which the candidate confronts the world of darkness and enters the world of spirit. By passing the tests of the elements, the candidate is initiated into the realm of higher consciousness."
(Hieronimus ibid., p.92)

After successfully completing the initiation process, the candidate is reborn, and joins the single eye in the pyramid.

The New World Order, or rather the philosophy its deliverers hold to be true, is one and the same as the New Age ideal of man's divinity and self-transformation. In order to partake in this *Gnostic fulfillment of "The Great Plan"* one must awaken to the original sin of Lucifer, as proposed to *Eve in the Garden of Eden*, that "we can be as Gods." (Gen. 3:5) So it is not surprising to find that Christians, specifically, are cited as the main obstacle hindering the success of this New Age-New World Order.

The reason for this, is the New Age belief in many "saviors" and "enlightened teachers", masters and gurus—it's all good and fine when the goal is the false teaching of man's divinity. The New Agers see many ways to salvation; Christians proclaim that there is only one Way - Jesus Christ.

"For the gate is small, and narrow that leads to life, and few are those who find it." (Matt. 7:14)

The Bible states that this is in reality the "broad way that leads to destruction, and many are those who enter it." (Matt. 7:13) Therefore, the only religion not compatible with *The New Age*, and hence the coming *New World Order*, is the belief and strict adherence in the *Word God* – with traditional Christianity being looked upon as particularly pernicious.

In *Dark Secrets of the New Age*, Texe Marrs wrote:

The New Age is a universal open-arms religion that excludes from its ranks only those who believe in *Jesus Christ* and a *Personal God*. Buddhists, Shintoist, Satanists, Secular Humanists, witches, witch doctors and shamans — All who reject *Christianity* are invited to become trusted members of the New Age family. Worshippers of separate faiths and denominations are to be unified in a common purpose: THE GLORIFICATION OF MAN.

[Freemasonry](#), by its own accord, practices the ancient mysteries of Egypt, and has as a primary goal, the re-instatement of this mystery religion for the coming World Order.

"The magical mystery religion of Ancient Egypt exercised a great fascination over Renaissance man, which was incorporated into—the newly formed—Lodges at that time. The mysterious hieroglyphs were considered to be symbols of hidden knowledge. Symbols and gestures became a means of conveying secrets and "truths". The cosmos was seen as an organic unity. It was peopled by a hierarchy of spirits which exercised all kinds of influences and sympathies. The practice of magic became a holy quest." - Michael Rogge,
[New Age Spirituality: The roots of the New Age Movement Part I](#)

Back in 1927, Freemason W.L. Wilmhurst saw the dawning of the Aquarian Age as the fulfillment of the "Plan". In [The Meaning of Masonry](#), p.4, he writes:

In this new Aquarian age, when many individuals and groups are working in various ways for the eventual restoration of the mysteries, an increasing number of aspirants are beginning to recognize that *Freemasonry may well be the vehicle for this achievement...*

He would be well proud, I'm sure, of today's mainstream acceptance of those very same occult mysteries. Another passage on page 46-47, proves the teaching of Freemasonry is the same as New Age beliefs:

He begins his Masonic career as the natural man; he ends it by becoming through its discipline, a regenerated man... This the evolution of man into superman—was always the purpose of the ancient Mysteries, and the real purpose of modern Masonry is, not the social and charitable purposes to which so much attention is paid, but the expediting of the spiritual evolution of those who aspire to perfect their own nature and transform it into a more god-like quality.

Freemasonry, through its mysteries, will soon usher in a *New World Religion* for the New World Order. A modern day Tower of Babel and the ultimate unification of the world's religions. The New Age welcomes these goals and looks to the "light" of Masonry as its esoteric basis for occult initiation into the New World Order.

Benjamin Creme writes:

"The New Religion will manifest, for instance, through organizations like *Masonry*. In *Freemasonry* is embedded the core or the secret heart of the occult mysteries, wrapped up on number, metaphor and symbol ..." - *The Reappearance of the Christ and the Masters of Wisdom*, p.87

Freemason and co-founder of *Lucifer Publishing Company* (now called [Lucis Trust](#)), Foster Bailey, concurs,

"Is it not possible from a contemplation of this side of Masonic teaching that it may provide all that is necessary for the formulation of a universal religion?"
(*The Spirit of Masonry*, p.113)

Foster Bailey states that Masonry,

"is the descendant of, or is founded upon, a divinely imparted religion..." This religion he explains, "...was the first United World Religion. Then came the era of separation of many religions and sectarianism. Today we are working again towards a World Universal Religion."
(*ibid* p.31)

To biblical students these are shocking admissions and it adds fuel to the charge of a *Masonic Antichrist* in our midst.

"It is these Mysteries which Christ will restore upon His reappearance," Alice Bailey reveals, "thus reviving the churches in a new form, and restoring the hidden Mystery."
(*The Reappearance of the Christ*, p. 122)

Bailey is giving these "revelations" by her channeled Master **Djwhal Khul** — a disembodied "Ascended Master". Her "Christ" is indeed the *Antichrist* in the strictest sense of the word. *Antichrist* means substitute for or in place of *Christ*. She goes on to say that,

"These ancient Mysteries were originally given to humanity by the Hierarchy [of which Djwhal Khul is a part of] and contain the entire clue to the evolutionary process, hidden in numbers, in ritual, in words and in symbology; these veil the secret of man's origin and destiny, picturing to him in rite and ritual, the long, long path which he must tread, back into the light."
(ibid, p.121-22)

So what do we have here?

- The New Age tells its disciples that they are working for the Hierarchy.
 - The teachings of the New Age are giving by the Hierarchy.
 - The movement for the installment of the Antichrist is giving the go-ahead by *the Hierarchy* — Djwhal Khul's number one message for New Age disciples is "prepare men for the reappearance of the Christ. This is your first duty." ([The Externalization of the Hierarchy](#), p.614)
 - The Ancient Mysteries, being practiced by both Freemasonry and the New Age, were giving to humanity by *the Hierarchy*.
 - The real purpose of Masonry — taught to man, from the Hierarchy — is the expediting of the spiritual evolution, to transform their nature into a god-like superman.
 - The Serpent caused the Fall in the Garden of Eden by giving Eve this very same message.
-

"Man is a god in the making. And as the mystic myths of Egypt, on the potter's wheel, he is being molded. When his light shines out to lift and preserve all things, he receives the triple crown of godhood." - Manly P. Hall,
The Lost Keys of Freemasonry, p. 92

"European mysticism was not dead at the time the United States of America was founded. The hand of the mysteries controlled in the establishment of the new government for the signature of the mysteries may still be seen on the Great Seal of the United states of America. Careful analysis of the seal discloses a mass of occult and Masonic symbols chief among them, the so-called American Eagle. ... the American eagle upon the Great Seal is but a conventionalized phoenix ..."

"Not only were many of the founders of the United States government Masons, but they received aid from a secret and august body existing in Europe which helped them to establish this country for A PECULIAR AND PARTICULAR PURPOSE known only to the initiated few." - Manly P. Hall,

[The Secret Teachings of All Ages](#), pp. XC and XCI

New World Order

"And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast. These have one mind, and shall give their power and strength unto the beast."

—Revelation 17:12-13

The New World Order is upon us. As amazing as it may seem, we are living in the Last Days. The world is quickly uniting into a One World government, economy, religion and cashless society; under the control of The Council On Foreign Relations (CFR), the United Nations (UN), The International Monetary Fund (IMF), World Bank, Bilderberg Group and the Trilateral Commission. All of these visible organizations are the vehicles by which the Illuminati

control the world.

Here is an excellent explanation from eye-opening author Henry Makow concerning who the Illuminati are . . .

"The Illuminati refers to a tightly organized network of family dynasties representing Anglo American and European aristocracy and Jewish finance joined by intermarriage, belief in the occult, and hatred of Christianity. Freemasonry is their instrument. They care nothing for their non-Illuminati brethren, Jewish or not. They will destroy billions as they create a neo feudal world characterized by the superrich, their support staff, soldiers and serfs."

The "Illuminati" is an occult-inspired group of elite families who control the world's leaders through blackmail, bribery and when needed, ruthless tyranny. Their ultimate goal is to achieve a Global Godless Totalitarian Communist Police State! This will be the Beast system of the coming Antichrist, the Man of Sin.

No one can properly understand what's going on in the world today unless they begin with the inspired Word of God. The Bible teaches in 2nd Corinthians 4:4 that Satan is the god of this sinful world. As such, Satan needs a way to control the world. Satan uses occult organizations to accomplish this. Such organizations are: *Skull and Bones* (officially *The Order Of Death*), Rosicrucians, Bohemian Grove, the Russian Orthodox Church, Freemasonry and others. The word "occult" means "hidden." Satan operates in secrecy because his works are evil, and must be hid from the eyes of the public, lest Christians expose Satan's works of darkness (Ephesians 5:11).

Thus, the Devil works through members of the occult to infiltrate and influence every area of society — religion, the music industry, public schools, Hollywood, *The Council On Foreign Relations*, the United Nations, Wall Street, corporations, government, et cetera.

For an excellent understanding of the New World Order, it's beginnings and where the world is headed, please read William Guy Carr's timeless work, *PAWNS IN THE GAME*.

FALSE RELIGIONS

Charles Taze Russell founded the Jehovah's Witnesses and was a 33rd Degree Freemason. Freemasonry is an occult organization saturated with demonic philosophy. Joseph Smith founded the Mormon religion and was also a 33rd Degree Freemason. Mary Baker Eddy, who founded Christian Science, was married to a Freemason. She was an associate of 33rd Degree Freemason Henry Steele Olcott, who founded a Satan worshipping cult called the "Theosophical Society" along with the mother of the *New Age Movement* and Hitler's spiritual guide — Helena Petrovna Blavatsky. Ron Hubbard, the founder of Scientology, was also a 33rd degree Freemason. These individuals all sold their souls to the New World Order, to Satan, in exchange for wealth, fame and abundant worldly pleasures. Freemasonry is the common denominator in most of America's mainstream religions today. Oral Roberts, the infamous fake healer and Pentecostal, was also a 33rd Degree Freemason. Other famous religious Freemasons are Jesse Jackson, Norman Vincent Peale, Billy Graham, Robert Schuller, Bromiey Oxnam, et cetera. So you see, Satan influences many people through occult inspired false religions.

Why are Jesse Jackson, Robert Schuller, Oral Roberts, Billy Graham, Norman Vincent Peale and Kenneth Copeland all 33rd Degree occult Freemasons? Albert Pike, the most influential figure in Freemasonry history, openly declared Lucifer to be god.

The theological dogma of Albert Pike is explained in the 'Instructions' issued by him, on July 14, 1889, to the 23 Supreme Councils of the world and have been recorded by A.C. De La Rive in *La Femme et l' Enfant dans la Franc-Maconnerie Universelle* (page 588) from which book the following is quoted:

"That which we must say to the crowd is – We worship a God, but it is the God that one adores without superstition.

"To you, Sovereign Grand Inspectors General, we say this, that you may repeat it to the Brethren of the 32nd, 31st and 30th degrees – The Masonic religion should be, by all of us initiates of the high degrees, maintained in the purity of the Luciferian doctrine.

"If Lucifer were not God, would Adonay (The God of the Christians) whose deeds prove his cruelty, perfidy, and hatred of man, barbarism and repulsion for science, would Adonay and his priests, calumniate him?

"Yes, Lucifer is God, and unfortunately Adonay is also God. For the eternal law is that there is no light without shade, no beauty without ugliness, no white without black, for the absolute can only exist as two Gods : darkness being necessary to light to serve as its foil as the pedestal is necessary to the statue, and the brake to the locomotive."

It is tragic that so many men, even professed Christians, think that Freemasonry is such a wonderful organization; when in reality their leaders at the 30th degree and higher have sold their souls to Lucifer (Satan) and worship him. Albert Pike's own words tell on Freemasons. Even a casual study on the subject will reveal that Albert Pike is still strongly revered amongst Mason leadership.

Any minister or religion that is associated with the occult has departed from the faith.

As far back as 1933, Edith Starr Miller wrote:

Many authors have published books on Freemasonry, some printing the rituals, some their personal observations on certain facts, but few of these authors, having themselves passed into occult masonry, the real masonry of the Cabalistic degrees which is in touch with all secret societies, Masonic as well as non-Masonic, have been able to state that Luciferian Occultism controls Freemasonry.

In his book, *The New World Order*, A. Ralph Epperson states:

The Masons know that they must conceal their horrible secret from the people. That secret is simply the fact that certain of their members worship Lucifer. And that they keep that secret from the overwhelming majority of their own members. And certainly the public is not to know this fact.

The religion of the NWO is *New Age*, which teaches that there are many different paths to the light. This is in sharp contradiction to the Biblical proclamation that Jesus Christ is the ONLY way to Heaven (John 14:6). New Age doesn't view God as an actual Person; but rather, as the energy that binds the universe together. God is a person, Who has the characteristics of personality (intellect, emotion, and will). God is not mere energy, nor blind force, nor the sum total of everything (pantheism). God is a person who speaks and hears and blesses!

The Bible clearly states that God knows... "Thou has searched me and known me; thou knowest my downsitting and uprising" (Psalm 139:1-6). The Scriptures state that God feels (Nahum 1:2 and John 3:16 show the contrast between God's wrath and love). The Bible also says that God wills... "For this is the will of God, even your sanctification" (1st Thessalonians 4:3). Knowledge, emotion, and will are the traits of personality. God is not some cloudy, hazy, indefinite, blindly operating, omnipotent Force. God is a living, loving Person who speaks and hears and blesses.

The Antichrist's God of Forces

MODERN CORRUPT BIBLES

All modern bibles are based upon the Greek translation work of two heretics: Brook Foss Westcott (1825-1903) and Fenton John Anthony Hort (1828-1892). Westcott and Hort were two Satanists, founders of the *Hermes Club* and members of famed Russian witch Madam Blavatsky's Theosophy cult. Again, the occult influence is clearly evidenced.

It isn't surprising to find out that the *New World Translation* bible which the Jehovah's Witnesses use is based upon the corrupt Greek text of Westcott and Hort. Even the name "New World Translation" is incriminating evidence. Westcott and Hort were also ghost chasers. Only a fool would embrace the *New International Version* [NIV] considering the fact that the name of Jesus has been removed in 38 places. The NIV was published in part by homosexuals. By the way, the owner of the exclusive printing rights to the NIV, Rupert Murdoch, was just made a Knight by the Pope. Murdoch had put the NIV under the same umbrella as the TV Guide, which he also owned. The Pope is also a part of the demonic New World Order.

Satan knows that the Word of God is his worst enemy, for no truly born-again Christian who knows the Scriptures can be deceived. 2nd Thessalonians 2:10 tells us that those who "received not the love of the truth" will be DECEIVED by the New World Order and the Antichrist. Will you be deceived?

DEMONIC MUSIC

Anton LaVey founded the *Church of Satan* in 1966. LaVey later published *The Satanic Bible* in 1969, in which same year *The Rolling Stones* Rock band released an album titled *Their Satanic Majesties Request*, featuring the song, *Sympathy For The Devil*. On the *Eagles* album cover for *Hotel California*, Anton LaVey appears in the balcony on the rear cover. It is widely purported that the song *Hotel California* is a tribute to the *Church of Satan*, where "you can check out any time you like; but you can never leave" (lyrics from the song). Other lyrics from the song go: "They stab it with their steely knives; but they just can't kill the BEAST." Yep, that sounds demonic to me.

How's this for bizarre... a witch writes most of Elton John's music.

Guitarist Jimmy Page of the Rock band *Led Zeppelin* is a devout follower of Satanist, Aleister Crowley, who proclaimed himself as "The Beast 666." Aleister Crowley was also a 33rd and 97th Degree Freemason and is recognized as the master Satanist of the 20th century. In 1971, guitarist Jimmy Page bought Crowley's Boleskine House on the shore of Loch Ness where Crowley practiced his hellish, satanic sex-magick rituals, including reported human sacrifices. Guitarist Jimmy Page actually performed Crowley magical rituals during their concerts. On *The Beatles, Sergeant Pepper's Lonely Hearts Club* album, Satanist Aleister Crowley appears in the top back row, 2nd from the left.

And let's not forget country music... Dolly Parton actually sang Zeppelin's Satanic *Stairway To Heaven* on her recent album. Mr. Gospel, Johnny Cash, sang the song *Thirteen* by Satanist, Glen Danzig. The group *Danzig*, led by Glenn Danzig, is one of the most openly Satanic bands in rock. Glenn Danzig, spewing his hatred for the Lord Jesus Christ, proudly designed a logo for the band — a demon strangling Jesus Christ with blood gushing from Jesus' eyes! One of Danzig's song is "Serpent Jesus, Snakes of Christ." Clearly, the movers and shakers in the music industry are followers of Satan. Artists who sellout to Satan go furthest in the industry.

Christian Rock is of the Devil.

OCCULT LEADERS IN GOVERNMENT

Jesus stated in Luke 16:8 that the *children of the world* (i.e., the unsaved) in His generation were WISER than the children of light (i.e., the saved). Nothing has changed in 2,000 years! While our nation's top leaders faithfully attend Satanic mock human sacrifices at *Bohemian Grove* annually, woefully ignorant pastors across America continue to promote those same sinister leaders as good people, Christians, and worthy of our unquestioning support. Nothing could be further from the truth. As disciples of Jesus Christ, we are supposed to refute all works of darkness (Ephesians 5:11).

Hitler was a known occultist. George W. Bush Sr. and Jr., Henry Kissinger, Ronald Reagan, and thousands of other top leaders attend the annual demonic *Bohemian Grove* just north of San Francisco, where a mock human-sacrifice is offered to a 40-foot owl. Former U.S. President Richard Nixon has openly stated that *Bohemian Grove* is saturated with homosexuals. Every U.S. president since Herbert Hoover has been a member of *Bohemian Grove*. *Bohemian Grove* is the tip of the iceberg.

All recent U.S. presidents have been occult Freemasons—including Ronald Reagan, Bill Clinton, George H. Bush, and George W. Bush. Freemasonry's agenda is a *New World Order*, which means the end of free-speech, Christianity, and freedom. Washington D.C. is saturated with occult symbols. The Freemasons and the Illuminati are hand in glove. The Masonic temple at Alexandria, Virginia is a hotbed center in the Washington D.C. area for Illuminati scholarship and teaching. The Devil inspires the heathen members of occult organizations to do his bidding...

"Wherein in time past ye walked according to the course of this world, according to the prince of the power of the air, the spirit that now worketh in the children of disobedience" (Ephesians 2:2).

The *Lucis Trust* is the Publishing House which prints and disseminates United Nations material. It is a devastating indictment of the New Age and Pagan nature of the UN. *Lucis Trust* was established in 1922 as the "Lucifer Trust" by Alice Bailey as the publishing company to disseminate the books of Bailey and Blavatsky and the Theosophical Society.

Did you ever stop to think that the Illuminati could have quietly killed President John F. Kennedy with poison or some other silent way? Why did they execute him in high-visibility in front of all the public and cameras?

It's because the evil Banksters and criminal barons behind the New World Order wanted to send a message to everyone to either go along or die. Kennedy's executive order 11110 was a major threat to the treasonous banking establishment and they murdered Kennedy to send a message to any other would be heroes. It is highly likely that F.B.I. director, J. Edgar Hoover, was instrumental in having Kenny assassinated for the criminal banking elite. The common denominator is Freemasonry, which controls America. Few Americans grasp this curse upon America. The true power in the United States does not abide at 1600 Pennsylvania Avenue where *The White House* stands; but rather, at *The Grand Orient Lodge* in Washington D.C. just down the street.

To eliminate this type of political threat, the establishment began to only put into power those candidates who were blackmailable, i.e., the Illuminati has some dirt on them to remove them from office immediately if they fail to be the puppet of the puppeteers behind the scenes in Washington D.C. It was the infamous J. Edgar Hoover (unquestionable lifelong * and 33rd degree Freemason who for 37-years founded and headed the F.B.I. between 1935 and 1972) who masterminded the illegal technique of spying and collecting dirt on thousands of politicians and other high-ranking officials. It worked like a charm and is the reason why Hoover was able to maintain his position for as long as he did. Hoover was a Luciferian worshipping criminal thug!

Director, but all of them ultimately concluded that the political cost of doing so would be too great (Hack, Richard *Puppetmaster: The Secret Life of J. Edgar Hoover*; 2007; Phoenix Books; ISBN1597775126). Hoover was evil scum, a puppet of the New World Order, sold out to Satan! Hoover blackmailed hundreds of U.S. officials and effectively hijacked the U.S. government for Freemasonry.

High-ranking Freemasons are demonic, evil and a bunch of murderous Satan-worshipping trash; but the majority of low-level Freemasons are a front for the organization, good and decent law-abiding men who are ignorant and have only joined the organization to gain prestige and the benefits of belonging to the group. Of the low-level Freemasons I have met, they all boasted of their membership in Freemasonry. However, the Bible strongly condemns all such affiliations with unbelievers in 2nd Corinthians 6:14-17. Freemasonry is of the Devil.

Syndicated radio talk show host, Alex Jones, stated on *The Alex Jones Show* on February 1st, 2010 . . .

“All the new World Order is, is powerful offshore corporations and banks that combine forces to bring in tyranny on a society-wide basis. All the New World Order is, is private corporations paying off your government to sign treaties with them, granting them government power to create monopolies and cartels, to control the free market and society. They have stolen us blind. They have stolen Iceland and England and Europe and Canada and Australia and the United States blind. It is fraudulent. It is based in fraud. They can create unlimited derivatives, unlimited currency and credit for themselves, but they need fake environmentalism to actually get your property. They need fake government rules to seize all the major highways and roads and turn them into toll-roads for offshore corporations like Centra of Spain. This is looting. This is corruption.”

Because the general public is only focused on football and on Hollywood stars and on diversions, the establishment is able to get away with this. But they have gone so far in their crimes. They have done so much evil, that if we simply stand up and point out that the emperor is wearing no clothes, and point out the crimes they have committed, and that Geitner and Paulson and all these people have given themselves hundreds-of-millions of dollars individually to themselves out of the banker bailout money, and that the number is really \$28,000,000,000,000 (not \$700,000,000,000), and that they engineered this and then McClatchy Newspapers wrote a five part series in December exposing that this is premeditated; if we expose them, if we point out what they've done, if we simply have the energy to point out that they are the harbiture, the progenitor, the engine behind our economy falling apart; they want to destroy the economy; Ron Paul has said that, because when they bankrupt you, you go under government control.

More than half the population now work for the government or get government contracts. That's not enough. It's their job to bankrupt. It's their job to bankrupt the states. It's their job to take over society. It's a monopoly game. It's a game of absolute domination and control.”

WAR

According to William Guy Carr (1895-1959), in his eye-opening book *PAWNS IN THE GAME*, the International Banking Cartel, aka, the Banksters, have financed both sides of every war and revolution since the Revolutionary War of 1776. Myron Fagan (1887-1972) explains the reason for this . . .

“Why war? Simple, the only excuse for a One-World Government is that it will supposedly ensure peace. The only thing that can make people cry for peace is war. War brings chaos, destruction, exhaustion; the winner as well as the loser—it brings economic ruin to both. Most important it destroys the flower of the young manhood of both. To the saddened and heartbroken oldsters—the mothers and the fathers, who are left

with nothing but memories of their beloved son, peace becomes worth any price. And that is the emotion upon which the conspirators depend for the success of their Satanic plot."

SOURCE: Myron Fagan, *The Illuminati and the Council on Foreign Relations*.

Government has murdered over 150,000,000 innocent people over the past 200 years—more than all the diseases, plagues and acts of God combined. Ruthless dictators such as Lenin, Mao and Hitler killed over 100,000,000 combined. Those numbers will be dwarfed by the number of deaths we will see from World War III, which is right around the corner.

SOURCE: DEATH BY GOVERNMENT: GENOCIDE AND MASS MURDER

Sad, but true, the Illuminati will murder billions as we read in the quote earlier by Dr. Henry Makow. The Georgia Guidestones are the predatory ruling elite's blueprint for mankind, which calls for over a 90% reduction in the earth's population from 6,500,000,000 down to a mere 500,000,000. To the Illuminati, the murder of over 1,300,000 Iraqis is desirable. The murder of over 400,000,000 humans by abortion worldwide over the past few decades is exactly what the Illuminati desires. They want worldwide deaths in massive quantities, whether it be by starvation or genocide.

The New World Order

By Bill Bonner

04/03/09 London, England In London, last night:

"You weren't here today," began the cab driver. "You missed the excitement. You know, the G20 meeting. They held it here in London..."

"Some lads got out of control. They smashed a window over at the Royal Bank of Scotland, and then broke up the computers and so forth..."

"Nothing very important, but the media makes a big thing of it. They kept talking about that G20 meeting – as if they were going to change the whole world – New World Order and all that...but what could they change? These hotshots at the banks took some bad bets. Now they've got to pay for them. What's all the fuss about?"

Clearly, our cab driver should go back to school. He could study macroeconomics and learn about counter-cyclical fiscal stimulus...and the multiplier effect...and the need to restore liquidity to the financial sector. Then, he could be spouting the same claptrap as other commentators. He could get on board with the plans to save capitalism from... well, from capitalism! It's all very well for the capitalists to make money, he will discover, but when they begin to lose it, well government has to step in and bail them out. The "creative" part of capitalism is fine...but spare us the destruction, okay.

Yesterday, the heads of state of the world's 20 leading countries decided to put more muscle into their efforts to stop capitalism's downswing. Notably, they decided to treble the budget of the IMF. In all, today's International Herald Tribune tells us it's a "One Trillion Dollar Deal."

Gordon Brown pronounced it a "New World Order," which sounds a lot like what George Bush I was aiming for 15 years ago. One world government. One multi-national police force. Harmonized tax collection. (No more tax havens... nowhere to run...nowhere to hide...) Keep the masses happy with bread and circuses...and "wars" against imaginary and unnecessary enemies. (The War on Terror and now – the War on Depression.)

Hey, maybe we'll all have to speak Esperanto, too...

But at least now the IMF will be about to bailout more bankrupt governments before it goes broke itself.

Most of the money is coming from a country that doesn't have any: the U.S.A.

Look up. What do you see? Why, it's our Dollar Crash Flag. The dollar's days are numbered. What's the number? We don't know. But whatever it was a week ago, it is a smaller number now.

Yesterday, the dollar gave up a little ground. The euro rose to \$1.24. Oil went up to \$52. Gold, however, fell hard – down to \$904. Gold stocks, on the other hand, did rather well.

Hugo Chavez was in the Mideast this week at a meeting of oil producers. He called for a new petro-currency...which, we suppose, is a currency backed by oil. The Associated Press:

"Venezuelan President Hugo Chavez sought Arab support Tuesday for a proposed oil-backed currency to challenge the U.S. dollar in his latest swipe at Washington's dominance in global financial affairs."

He probably won't get very far with that. But he's not the only one looking for a solution to a crisis that hasn't happened yet.

The dollar's been king of the monetary mountain for a long time. But it had better be careful...watch it's back ...give a little of the food to a dog before eating it itself. Rivals are plotting against it. Much of the world wants to dethrone "King Dollar," says the French financial journal, La Tribune. China has already called for a new reserve currency based on IMF Special Drawing Rights. What's more, it's worked out bilateral agreements with many of its neighbors to swap goods, rather than use the dollar as a common unit of exchange. This week, it went further afield, making a deal with Argentina. This is the first deal of its kind in the Latin American world. But it's probably not the last.

People see trouble coming with the greenback. They don't want it to hurt their sales of raw materials to China.

The Russians, too, have called for a new reserve currency. They, like the Arabs and Chavez, are sellers of raw materials. They don't want to get stuck with dollars that are losing their value.

That's the real New World Order...the United States will find it harder to stay in the driver's seat of this bus...and the U.S. currency will no longer give Americans an automatic ticket to the first class section...

More news from Ian in rainy Baltimore:

"First Friday of the month, you know what this means...time for the U.S. employment scene to hit a new low," writes Ian in today's issue of The 5 Min. Forecast.

"663,000 Americans lost their jobs in March, the Labor Department claims today. That puts the official unemployment rate up to 8.5%, the highest it's been since 1983. March's loss marks the 15th month in a row of net job losses. Since the recession began, the government estimates 5 million Americans have lost their jobs."

"Today's number stands in line with the jobless claims details earlier this week - a record 5.7 million people are currently filing for unemployment benefits.

"But from a trading perspective, as dark as this might sound, today's jobs number was a non-event," continues Ian. "March's losses were just a bit higher than the Street anticipated, and the small details were mostly in line with expectations.

"The only real surprise came in the form of a big January revision. The government added 86,000 lost jobs during the month, to a January tally of 741,000. That's actually the biggest monthly drop in 59 years. Such a number would have sent stocks to the woodshed back in early February, but since the revision is now so backward looking, there isn't much traders can do. Clever trick, eh?"

Each weekday, Ian and Addison bring readers the *The 5 Min Forecast*, an executive series e-letter that provides a quick and dirty analysis of daily economic and financial developments - in five minutes or less.

And Bill with more thoughts:

The rest of the world is enjoying tweaking the nose of the United States of America. The U.S. dollar has dominated world markets for more than half a century. Even before that, it was a favorite for many of the world's peoples. England ceased having the world's largest economy in the last decade of the 19th century. It was surpassed by the United States...and then by Germany. And since then, it has been surpassed by Japan, China and France too. Even California has a bigger economy than Britain.

Both Britain and its pound were victims of WWI, with the United States and the dollar taking the lead position. But what goes around, comes around. Now it is the dollar's turn. Maybe not this year. Maybe not the next. But it will have to get knocked off the top of the mountain sometime.

One of our French dear readers wrote to say he thought it wouldn't happen for another 10 years. Maybe he's right. As we predicted more than five years ago, the United States is sinking into a Japan-style slump. Unless it begins printing money - hell-for-leather - it is doomed to follow Japan. This from MarketWatch:

"The great recession of 2008 and 2009 is likely to be not only the longest downturn since World War II, but also the most geographically widespread recession since at least the 1970s.

"For the first time on record, all 50 states were contracting at the same time, according to the state coincident indicators for February released by the Federal Reserve Bank of Philadelphia on Tuesday. The state-by-state indicators have been tracked by economists at the bank since 1979."

Of course, if it prints money too aggressively, or if people THINK it will print too aggressively, it could follow Zimbabwe. Either way, we want off this train...

As GM goes, so goes the nation. Obama assured the nation that America would be the leader in car manufacturing. Alas, it is probably not to be. What makes Germany and Japan so competitive today is the fact that their industries were destroyed in WWII. They were forced to rebuild...amid tough competition. The United States, on the other hand, never had the benefit of aerial bombardment. And its auto industry has had such huge advantages - it was practically doomed from the beginning. Detroit has ready supplies of steel...rubber...plastic...labor - everything you need to make a modern automobile. Japan and Germany had to import almost everything. U.S. automakers also had a much bigger domestic market than either of its competitors...protected by two grand oceans. And it had vastly more open road...and gasoline that sold for only a fraction of the price in Japan or Germany. U.S. automakers would have to be numbskulls to blow this opportunity.

Of course, that is exactly what they did.

Not that it is any of our business. How they run the auto business is entirely up to them, as far as we're concerned. We just note, and not for the first time, that you've got to get in the habit of compensating for your strengths. Because it is your advantages that will kill you, not your weaknesses.

Why are Americans broke? Because they had the world's strongest economy and the world's most trusted money. As a result, everybody wanted to lend them money.

Why are the Chinese sitting on the biggest pile of money on earth? Because they had to live under one of the worst governments in history...because they were starving only a few years ago...and because nobody would lend them any money.

Now, what Americans have is the world's most powerful military machine...immensely more powerful than the closest rival. In fact, the word "rival" has no sense to it. In order to match the United States, you'd have to put together all the rest of the world's military forces. Even then, they'd be no match for the United States...neither in technology nor in organization.

With that, we invite you to imagine how the world's most successful military will destroy itself...just as the world's most successful economy just did. Cursed with far too much money...and far too much luck, (its major enemy just gave up!) it's just a matter of time before the Pentagon finds its own road to Hell. Maybe it already has!

Are we rambling? Maybe...but we were stuck on the Eurostar on our way back to London when we wrote this part.

What else is there to do but ramble?

Out in the street, the demonstrators - including some who looked like professionals - got to tussle with police. The bankers generally laid low, but a few provoked the demonstrators. In the window of the Royal Bank of Scotland, for example, someone had pasted the words:

"WE LOVE MONEY."

Others held 10-pound notes out the window...taunting the demonstrators.

All in good fund, as near as we can tell.

The chance for a New World Order

By Henry A. Kissinger The New York Times

Published: Monday, January 12, 2009

As the new U.S. administration prepares to take office amid grave financial and international crises, it may seem counterintuitive to argue that the very unsettled nature of the international system generates a unique opportunity for creative diplomacy.

That opportunity involves a seeming contradiction. On one level, the financial collapse represents a major blow to the standing of the United States. While American political judgments have often proved controversial, the American prescription for a world financial order has generally been unchallenged. Now disillusionment with the United States' management of it is widespread.

At the same time, the magnitude of the debacle makes it impossible for the rest of the world to shelter any longer behind American predominance or American failings.

Every country will have to reassess its own contribution to the prevailing crisis. Each will seek to make itself independent, to the greatest possible degree, of the conditions that produced the collapse; at the same time, each will be obliged to face the reality that its dilemmas can be mastered only by common action.

Even the most affluent countries will confront shrinking resources. Each will have to redefine its national priorities. An international order will emerge if a system of compatible priorities comes into being. It will fragment disastrously if the various priorities cannot be reconciled.

The nadir of the existing international financial system coincides with simultaneous political crises around the globe. Never have so many transformations occurred at the same time in so many different parts of the world and been made globally accessible via instantaneous communication. The alternative to a new international order is chaos.

The financial and political crises are, in fact, closely related partly because, during the period of economic exuberance, a gap had opened up between the economic and the political organization of the world.

The economic world has been globalized. Its institutions have a global reach and have operated by maxims that assumed a self-regulating global market.

The financial collapse exposed the mirage. It made evident the absence of global institutions to cushion the shock and to reverse the trend. Inevitably, when the affected publics turned to their national political institutions, these were driven principally by domestic politics, not considerations of world order.

Every major country has attempted to solve its immediate problems essentially on its own and to defer common action to a later, less crisis-driven point. So-called rescue packages have emerged on a piecemeal national basis, generally by substituting seemingly unlimited governmental credit for the domestic credit that produced the debacle in the first place - so far without more than stemming incipient panic.

International order will not come about either in the political or economic field until there emerge general rules toward which countries can orient themselves.

In the end, the political and economic systems can be harmonized in only one of two ways: by creating an international political regulatory system with the same reach as that of the economic world; or by shrinking the economic units to a size manageable by existing political structures, which is likely to lead to a new mercantilism, perhaps of regional units.

A new Bretton Woods-kind of global agreement is by far the preferable outcome. America's role in this enterprise will be decisive. Paradoxically, American influence will be great in proportion to the modesty in our conduct; we need to modify the righteousness that has characterized too many American attitudes, especially since the collapse of the Soviet Union.

That seminal event and the subsequent period of nearly uninterrupted global growth induced too many to equate world order with the acceptance of American designs, including our domestic preferences.

The result was a certain inherent unilateralism - the standard complaint of European critics - or else an insistent kind of consultation by which nations were invited to prove their fitness to enter the international system by conforming to American prescriptions.

THE ILLUMINATI AND BIG BROTHER - A NEW WORLD ORDER

The Illuminati's 'All Seeing Eye' found on the back of the US dollar bill

by Jon King

Conspiracies like the assassination of JFK or Princess Diana, events like 911, or even a deliberately engineered worldwide credit crunch, can be carried out with relative ease, theorists say, because the world is covertly run by a powerful 'New World' elite who operate through secret groups, societies, clubs and power cabals.

What happens in the open is planned and orchestrated behind closed doors. And there the truth remains, concealed in the hands of the elite few...

For the record, the Illuminati and its all-seeing eye, or Big Brother, dates back at least as far as May 1st, 1776, when a secret society called the Bavarian Illuminati was formed by one Dr. Adam Weishaupt at the behest of Mayer Amschel Rothschild.

The purpose in forming this highly secretive conclave, it is said, was specifically to gain control of as many nation states as possible by taking control of their economies.

'Give me control of a nation's money,' the founding father of international finance, Mayer Amschel Rothschild, once said, 'and I care not who makes its laws.'

Mayer Amschel Rothschild was not wrong. The Rothschilds and their New World conspirators have been running the world ever since. And they've done it by controlling the world's economies (see Credit Crunch).

True to this ideal, the modern-day Illuminati, which comprises the most powerful movers and shakers behind the New World Order, is indeed seen to manipulate global affairs through control of the world's most powerful financial institutions such as the World Bank, the IMF, the US Federal Reserve, the Bank of England, the European Bank and other central banks; and by the manipulation of governments via Big Brother-owned 'think tanks' and international power cabals such as the Bilderberg Group, the Council on Foreign Relations, Chatham House and the International Institute for Foreign Affairs, the United Nations, the *Club of Rome and the massively influential Trilateral Commission.

The 'New World Order'

Soon this world will be divided into 10 major geographical regions and nerve centers. The Illuminati know that all of the governments around the world are destined to collapse soon. They know this because these are planned economic collapses. With the total collapse of the global economy a world wide take over will be enforced thereby creating a Totalitarian Police State.

The "New World Order"

The Coming 'New World Order' in Bible Prophecy

Daniel 9:27 He (the Antichrist, the soon to be ruler over the NWO) shall confirm a covenant/peace treaty with many (Israel and the Palestinians) for one week - seven years. This treaty starts the 7 year countdown to the end of the age (not the "end of the world") resulting in the construction of the third temple on Mount Moriah and the mid-point "abomination of desolation" that Christ described in Matt. 24:15. The battle of Armageddon will be at the end of this seven year period.

Daniel 9:24 Seventy weeks are determined for your people and for your holy city, to finish the transgression, to make an end of sins, to make reconciliation for iniquity, to bring in everlasting righteousness, to seal up vision and prophecy, and to anoint the Most Holy. 25 Know therefore and understand, that from the going forth of the command to restore and build Jerusalem until Messiah the

Prince, there shall be seven weeks and sixty-two weeks; the street shall be built again, and the wall, even in troublesome times. 26 And after the sixty-two weeks Messiah shall be cut off, but not for Himself; and the people of the prince who is to come shall destroy the city and the sanctuary. The end of it shall be with a flood, and till the end of the war desolations are determined. 27 Then He shall confirm a covenant with many for one week; but in the middle of the week He shall bring an end to sacrifice and offering. And on the wing of abominations shall be one who makes desolate, even until the consummation, which is determined, is poured out on the desolate.

Daniel 7: 7 After this I saw in the night visions, and behold a fourth NWO beast, dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts (kingdoms) that were before it; and it had ten horns. Revelation 17:12 The ten horns which you saw are ten kings (rulers over ten economic or regional unions) who have received no kingdom as yet, but they receive authority for one hour as kings with the beast. 13 These are of one mind, and they will give their power and authority to the beast. Daniel 7:8 I considered the horns, and, behold, there came up among them another little horn, before whom there were three of the first horns plucked up by the roots: and, behold, in this horn were eyes like the eyes of man, and a mouth speaking great things. Revelation 6:2 And I looked, and behold, a white horse. He who sat on it had a bow; and a crown was given to him, and he went out conquering and to conquer. Revelation 13:2 ...The dragon gave the beast his power and his throne and great authority. 3 One of the heads of the beast seemed to have had a fatal wound, but the fatal wound had been healed. The whole world was filled with wonder and followed the beast. 4 People worshiped the dragon because he had given authority to the beast, and they also worshiped the beast and asked, "Who is like the beast? Who can wage war against it? 5 And he was given a mouth speaking great things and blasphemies, and he was given authority to continue for forty-two months. (the final 3 1/2 years) Daniel 9:27 ...and in the midst of the week he shall cause the sacrifice

and the offering to cease... (This is the abomination of desolation that is spoken of in Matthew 24:15. This is when the antichrist enters the temple, stops the temple sacrifices, and then declaring himself god and demands worship.) Revelation 13:7 And authority was given him over every tribe, tongue, and nation. 8 All who dwell on the earth will worship him...

11 Then I saw another beast (the false prophet) coming up out of the earth, and he had two horns like a lamb and spoke like a dragon. 12 And he exercises all the authority of the first beast in his presence, and causes the earth and those who dwell in it to worship the first beast, whose deadly wound was healed.

Daniel 11:36 Then the king (Antichrist) shall do according to his own will: he shall exalt and magnify himself above every god, shall speak blasphemies against the God of gods, ...for he shall exalt himself above them all. 38 But in their place he shall honor a god of fortresses; and a god which his fathers did not know he shall honor with gold and silver, with precious stones and pleasant things. 39 Thus he shall act against the strongest fortresses with a foreign god, which he shall acknowledge, and advance its glory; and he shall cause them to rule over many, and divide the land for gain. 41 He shall also enter the Glorious Land (land Of Israel), and many countries shall be overthrown ... 42 He shall stretch out his hand against the countries, and the land of Egypt shall not escape. 43 He shall have power over the treasures of gold and silver, and over all the precious things of Egypt: and the Libyans and the Ethiopians shall be at his steps. 44 But tidings out of the east (the advancing armies of China and N. Korea) and out of the north (Russia) shall trouble him: therefore he shall go forth with great fury to destroy, and utterly to make away many. 45 And he shall plant the tabernacles of his palace between the seas in the glorious holy mountain; yet he shall come to his end, and none shall help him.

Is the end really that near? Do we need to be concerned about how much time we have left or just go about our business as usual? The one for us to go to for that information is Christ. When Jesus' disciples asked what would signal his return, he gave them several signs to watch for. He also taught that the time immediately before his coming would be known as the "beginning of sorrows" (Matt. 24:8), which is another way of saying the "onset of labor pains." Jesus was saying the signs of his coming would start out as mild pangs spaced widely apart like human labor and then gradually become closer together and more intense, like the birth process, until the final seven-year (Daniel's 70th week) period of suffering and judgment is to culminate in the coming of the Messiah. Concerning the last days he replied, "And ye shall hear of wars and rumors of wars... For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and great earthquakes, in various places". "...and upon the earth distress of nations, with perplexity; the sea and the waves roaring". "And as it was in the days of Noah, so shall it be also in the days of the Son of man".

2 Thessalonians 2:3-4 Let no man deceive you by any means: for [that day shall not come], except there come a falling away first, and that man of sin be revealed, the son of perdition; Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.

The New World Order (NWO) As It Relates To The Coming Antichrist And His Kingdom

The prophesied one-world government is being formed on earth at this very time. The Bible prophesies that the Antichrist (Final dictator) will ultimately reign over a global NWO world government for three-and-one-half years just prior to the Second Coming of Jesus to establish His own world government.

Satanically Empowered Control

Control of the coming endtime government will be consolidated into the totalitarian hands of the Antichrist. The dragon, which is the devil, gives this world governmental system its seat, power, and great authority (Revelation 13:2). We will all feel the oppression of this world government structure because it is satanically inspired, and it is forming right now.

Revelation 13:7 states that power will be given to the Antichrist over “all kindreds, and tongues, and nations.” Verse 3 says, “And all the world wondered after the beast.” Daniel 7:23 tells of a world governmental system ruled by the Antichrist, “The fourth beast shall be the fourth kingdom upon earth, which shall be diverse from all kingdoms, and shall devour the whole earth, and shall tread it down, and break it in pieces.” The prophecy then states that this world government will rule the world until the Second Coming.

Globalization

After the Berlin Wall fell in 1989, we began hearing new terms like World Community and International Community. David Rockefeller said that a global crisis would have to occur before the world would be willing to accept a New World Order. When the world’s economy began a dramatic downward plunge in 2008, world leaders again proclaimed the need for a New World Order with global economic structures.

The word “globalization” means exactly what it says. It is the process of transitioning the world into a global government. When we hear about international law, it is referring to the laws of the international government. When we hear about the World Court, it is referring to the court system that has been created to enforce the laws of the world governmental system. The World Bank, the World Trade Organization, the World Health Organization—all of these powerful world institutions are exactly what they say they are. They are all components of the one-world government, the world government prophesied for the endtime 2,000 years ago.

Names for the coming Antichrist: The king of fierce countenance (Daniel 8:23) The prince who is to come (Daniel 9:26) The beast (Revelation 19:19-20) The son of perdition (Thessalonians 2:3) The lawless one (2 Thessalonians 2:8) The man of sin (2 Thessalonians 2:3) The foolish shepherd (Zechariah 11:17)

The Herd Mentality

It's Time For The Sheeple To Open Their Eyes To See The Truth. The Elite Are Going To Bring Us All Under The Control Of A Single Global Fascist State.

Here it is for everyone to see all summed up.

The goal of the Illuminati is to set up an Orwellian Police State, with a more controlled society and continuous surveillance over every citizen! First they'll destroy this present world system and then they'll bring in their "New World Order". What they want is perpetual war, intrusive government surveillance, and all individuals subordinated to the state. This is their main agenda, "Order Out Of Chaos" to gain control by fear introduced into the hearts of all people.

The Illuminati Agenda - Billions of sheeple under the control of the elite. Their actions are not unlike those of wild animals culling on the weak, sick, and old prey. The elite feel that predators are a necessary and beneficial part of natural systems. They are very much convinced of the fact that if we remove them from the picture, there will be consequences.

What is happening and has been happening in this world is mind-blowing, but perhaps the most astounding thing is the herd mentality that most of us so blindly follow. Think of this - the ones who control the psyches and collective thinking of the people control the governments.

Have we handed over our rights and freedoms to the elite so that the elite can enslave us? And why have we been so dumbed down?

We are not free because there are people who have real power over us, the Illuminati, and they exercise great power over the world.

The choice that we all have to make is, do we just go along with the crowd or break free of the established norms.

Do we just want to exist and live with the status quo and continue to be asleep or do we want to become free of the future that they have for us.

"Collective fear stimulates herd instinct, and tends to produce ferocity toward those who are not regarded as members of the herd." — Bertrand Russell

"A Nation Of Sheep Will Beget A Government Of Wolves." - Edward R. Murrow.

Christ's Imminent Return

ALL End Time prophecies are AT AN APEX right now and ready for fulfillment. Literally, "THIS GENERATION" is now living in the rapidly narrowing gap of time adjacent to the very 'start' of the final 7 Year Tribulation period.

It bears repeating: ALL MAJOR Bible prophecies are right NOW at a prophetical APEX at this crucial time in world history, CONFIRMING the very Nearness of Christ's return precisely as the Lord instructed his followers to "KNOW" IN THAT GENERATION (That is the generation which sees the fulfillment of the signs in Matthew 24) All THINGS WILL COME TO PASS!

The Antichrist

There is still one major goal set to be fulfilled, the ushering of one "Supreme Leader" to head the one-world government, he is the AntiChrist. The AntiChrist is destined to rise in the last days as the ruler over the one-world government.

He will rule in tyranny and will bring great terror. The AntiChrist is destined to be the ruler of the last empire to rule the world which is actually the revived Roman Empire. This empire will control politics, economics, army and religions of the world. This ruler will be fearless and will not embrace any religious conviction. He will demand to be worshiped as God. He will force everyone on earth to bear his mark on their forehead or in their hands. Without this mark, no one can buy nor sell. The one world currency is a major requirement for the establishment of a cashless society.

Ordinary citizens of the world are not aware that the world is already divided into ten major regions referred to as kingdoms. Regionalization of countries is a step forward to the one-world government. Organizations associated with the New World Order use a "ten kingdom" model in their plan for the coming world government.

In the Book of Revelation, the prophet John revealed that the AntiChrist and his ten-nation confederacy will rule the world during the last 3 1/2 years of the coming Tribulation Period. Organizations associated with the establishment of a one-world government have already drafted their one-world constitution.

Whether you believe in a spiritual war or not, you still need Salvation. It is all that will save you when this life on earth is finished.

Do you know beyond the shadow of a doubt where you would go if you died tonight? If not, please consider the following, we pray it's a blessing to you. The Bible says there is only one way to Heaven

Jesus said: "I am the way, the truth, and the life: no man cometh unto the Father but by me." (John 14:6)

Good works cannot save you.

"For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: Not of works, lest any man should boast." (Ephesians 2:8-9)

Trust Jesus Christ today! Here's what you must do:

1. Admit you are a sinner.

2. Be willing to turn from sin (repent).

3. Believe that Jesus Christ died for your sins, was buried, and rose from the dead.

4. Upon believing the gospel, God declares you to be righteous and saves you by his grace.

"God so loved the world that He gave His only Son, so that whoever believes in Him should not perish, but have everlasting life." John 3:16.

"For whosoever shall call upon the name of the Lord shall be saved." Romans 10:13
